COLE AND CO. EXPANDS ITS OFFERINGS ***More Choices from Four Collections***

Dallas, TX June 2, 2006 ---- Expanding its classical architectural forms Cole & Co., the award winning manufacturer of furniture for the bath, and acknowledged by *Inc 500* as one of this country's fastest growing companies in 2005, expands its versatile vanity collections for 2006. The collections include **Premier**, **Custom**, **Designer Series** and **Urban Theory**. Each collection offers customers a broad selection of styles including contemporary, classical, and traditional designs of European, American, and Asian influences.

The **Designer Series** - by far the most popular, is comprised of chests and cabinets complete with workable drawers and useful shelves in traditional designs. Vanities from the Designer Series are available in Cole & Co.'s total package named "Bathroom in a Box"[™] where the vanity cabinet is available in one size, one finish and comes complete with top, faucet and sink for one competitive price.

The **Custom Collection** - moderately priced for the homebuilding, remodeling, hospitality, and consumer market - allows you to be the architect of your own vanity from a selection of two designs (Classic and Estate) in premium hardwood maple solids and veneers. Available in three basic sizes with

a choice of two finishes, three granite tops, two faucets and four sinks, and options that include a spacious three-drawer bridge or centered knee hole counter space, the Custom Collection allows you to configure your own single or double vanity.

Cole & Co's **Premier Collection** is a superb compilation of hand crafted vanity cabinets that represents the most requested designs and finishes of which there are three beautiful, European influenced designs – Provence is meticulously carved with excellent proportions and features traditional scrolls and floral panels. Lorraine is of a bombe shape with age old distressing techniques that bring the vanity's hand carved features into focus. In a warm chestnut finish, the Italian inspired Verona Hall Chest is a perfect complement to many decorative styles.

Urban Theory is as different as it is unique. In true contemporary styles—Aire, Skye, Terre, and Clarissa—Urban Theory is the perfect choice for contemporary, Urban lifestyles. In three sizes, 25", 31" and 35", Urban Theory offers multiple finish options including exotic woods, metals (copper, aluminum, stainless), and laminates of various colors and textures. All come with a selection of hardware, natural and engineered stone tops, sinks and faucets. Coordinating mirrors combine to create a total contemporary experience.

Cole & Co's vanities contain design elements that make strong statements for all style choices and budgets. The four Cole & Co. collections—Designer Series, Custom Collection, Premier Collection and Urban Theory—are available through distinguished kitchen and bath showrooms across the United States and priced competitively for architects, interior designers, homebuilders and consumers.
