Cole & Co. Expands its Offerings with Floor Mirrors

Brand Offerings That Go from Bathroom to Living Room, to Bedroom with Ease

Dallas, Texas January 15, 2007 ----Cole & Co., the Dallas based award-winning manufacturer of bathroom cabinetry, furniture and accessories, and one of Inc. 500's fastest growing companies, introduces a selection of floor mirrors to its collection of accessories. In styles that are predominantly traditional, these beautiful mirrors change a room's perspective with grace and reflection.

The first to be featured is the Manchester Floor Mirror in richly carved hardwood solids, stained to a rich brown finish and hand-painted with black and gold accents. Its secret is that it is more than a floor mirror—the Manchester features a breakfront base with a door that opens to reveal hidden storage of two shelves, hooks, and pouches. Similarly crafted is the Masterpiece Floor Mirror stained with a warm fruitwood finish and hand painted with gold and black accents. Not unlike the Manchester, the Masterpiece is richly carved with a breakfront base and fluted pilasters and does double duty as a storage cabinet.

The Regal Row Floor Mirror, also with hidden storage and hand-painted accents, coordinates with Cole & Co's Regal Row vanity and Linen Armoire but can also be paired with any number of the company's bathroom vanities and accessories. All three of these mirrors are 40"W x 85" H and 6" D and provide the perfect solution for full reflection in the bathroom, bedroom, living room or hallway. All three can be attached to the wall for added security.

Cole & Co. is available through over 1100 high end decorative kitchen and bath showrooms throughout the U.S., Canada and Mexico. To see more of the collections, visit www.vanitybath.com or to learn more about Cole & Co., its principals and its products, contact: Nicole Gill-Ottinger at 312.228.8030.
