Cole & Co. Introduces Bathroom Accessories

Brand Offerings to Include Bathroom Stools

Dallas, Texas, December 2006 ---- Cole & Co., the Dallas based award-winning manufacturer of bathroom cabinetry, furniture and accessories, and one of Inc. 500's fastest growing companies, introduces a selection of vanity stools to its collection of bathroom accessories. In styles that range from tried and true traditional to classical, the stools complement the *Bathroom in a Box* selection of stylized vanities.

The first to be featured is the Dreamer Stool, a versatile and perfectly proportioned seat upholstered in a whimsical graphic text fabric—laugh, love, remember, believe, dream, and imagine—perfect for reflection. The stool is a modern interpretation of an early Victorian X-stool that could easily go from bathroom to dressing area and back again.

Upholstered in an animal print is the Francesca Stool, a comfortable and generously proportioned vanity seat (24.3/8" W x 24.3/8" D x 22.1/4" H) influenced by Spain's late 18th Century period. The stool is a wonderful complement to many of the vanities in Cole & Co's collections.

Cole & Co. is available through over 1100 high end decorative kitchen and bath showrooms throughout the U.S., Canada and Mexico. To see more of the collections, visit www.vanitybath.com or to learn more about Cole & Co., its principals and its products, contact: Nicole Gill-Ottinger at 312.228.8030.
