### **COLE AND CO. INTRODUCES NEW VANITIES TO ITS POPULAR DESIGNER SERIES *Bathroom in a Box™ – The COMPLETE Vanity – base, marble top, faucet and sink***

Dallas, Texas July, 2007 ---- Expanding upon a theme Cole & Co., the award winning manufacturer of furniture for the bath, acknowledged by Inc 500 as one of this country's fastest growing companies in 2005, has added three new vanities to its innovative Designer Series for 2007. The line is based on classic design with period details featuring rich exotic woods, marble accents and stunning hardware.

The series **Bathroom in a Box** features vanity designs for the bath in classic, architectural styles with cabinets that are one size, one finish and are complete with harmonizing top, faucet and bowl. Newest in the line are: Vanderbilt, The Milton demi-lune and The Florentine. Each of these is a substantial piece of furniture for the bath.

*The Milton* is classic Biedermeier. The elegant demilune vanity features mappa burl veneers with a rich brown finish. Two doors with simple aged brass hardware open to reveal one adjustable shelf for storage.

*The Florentine*, as Italian as Michelangelo, features high style embodied in this traditional sink chest presented in a weathered parchment finish with gold and silver highlights and handpainted accents. Two end doors open to reveal a fixed shelf for storage. Aged brass hardware accents the whole.

*The Vanderbilt* is classic American elegance in a simple and timeless design featuring a fluted columnar shaped cabinet in a weathered high gloss black finish. Two doors with nickel hardware open to reveal one adjustable shelf for storage. The integrated black glass top with reverse painted sink and backsplash is set off by a nickel single hole faucet with cross handles.

Cole & Co.'s vanities make strong design statements yet are versatile for all styles and budgets. Currently there are three Cole & Co. collections – Designer Series, Custom Collection, and Premier Collection – all available through distinguished kitchen and bath showrooms across the United States and priced competitively for architects, interior designers, homebuilders and consumers.
