COLE AND CO. INTRODUCES NEW VANITIES TO ITS POPULAR DESIGNER SERIES *Bathroom in a Box™* – The COMPLETE Vanity – base, marble top, faucet and sink

Dallas, TX --- May 9, 2006—Expanding its classical architectural forms Cole & Co., the award winning manufacturer of furniture for the bath, and acknowledged by *Inc 500* as one of this country's fastest growing companies in 2005, expands its popular *Designer Series* for 2006. Adding four new vanities to the collection that reflects European, American, and Asian influences, the company debuts four new pieces that feature classic and soft contemporary styles, and a little Hollywood glamour for good measure.

The total package that is *Bathroom in a Box™* - where the vanity cabinet is available in one size, one finish and comes complete with top, faucet and sink - stars the **New Hollywood Sink Chest** that takes center stage in its red carpet debut. Beautifully proportioned at a full 30"

wide, the vanity has a glamorous mirrored finish over hardwood solids with a serpentine front and four tapered legs. Luxurious off-white marble top and polished chrome widespread faucet complete the look and style that makes this chest a true replica of 1940's Hollywood.

In contrast is the **Marquetry Star Chest** that presents a bold statement. The pattern-matched veneers over hardwood solids create a rich texture that defines its European heritage. Beautifully structured with breakfront and fluted pilasters, the Marquetry Star Chest comes with glistening marble top and brass sink with matching aged brass widespread faucet. Similarly structured is the **Regal Row Chest**, a distinctive addition that infuses architectural elements with bold carvings and classical columns. The door opens to reveal generous storage and there are two small hidden side drawers that are wonderful for storing small items. A coordinated marble top and backsplash, solid brass sink, and single hole side-mount aged brass faucet synchronizes the piece.

Making a stunning contemporary stance with its minimalist design and reeded demi-lune shape is the **Reeded Round Sink Chest**, a perfect choice for modern living or where space is at a premium. In a deep rich finish and contrasting top in off-white marble, the Reeded Round Sink Chest is available with a ceramic under-mount sink, polished chrome widespread faucet and backsplash.

Cole & Co's vanities contain design elements that make strong statements and are versatile for all styles and budgets. Currently there are four Cole & Co. collections—Designer Series, Custom Collection, Premier Collection and Urban Theory—all available through distinguished kitchen and bath showrooms across the United States and priced competitively for architects, interior designers, homebuilders and consumers.
