THE ART OF DESIGN FOR THE BATH

HANNAH BOMBE CHEST

37" W X 20" D X 33-1/2" H

In the manner typical of true 18th Century Chinoiserie painted antiques, the Hannah Bombe is finished elegantly in a soft antiqued blue and features Venetian inspired gold accents. Classic design elements and a relaxed finish adds an aire of country French opulence. Features one functioning drawer and aged pewter hardware pulls. Handmade individually of Asian hardwood solids.
